Re: Water Right License # 95- 8692 - Ken Howard

To Whom It May Concern:

When my husband applied for a water use license, he filled out the form with his name only, not knowing that he could or should include my name. I would like to add my name to the license. We jointly own the property and have since it was purchased. I have included a copy of our deed along with the Notice of Security Interest in a Water Right form and \$25.00. I have also included an address change form, since the county has changed our address since the license was granted.

Thank you,

Barbara Howard
