**PROOF ACKNOWLEDGMENT LETTER**

**RE: PERMIT NO. 95-9134**

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use ("proof") form submitted for the above-referenced permit. The next step in the process of developing a water right is for the department to conduct the field examination to determine and confirm the use of the water, and that it meets the permitted beneficial use.

During my review of this proof, I noted that you provided a new address. I have updated our database to reflect that change. For your information, I have enclosed a report generated from our database that shows the current information for this permit. This change will affect all of the water right records in your name, but will not change the address for Karol. Karol's mail will continue to be sent to the Cliffhouse/Post Falls address. If that needs to be change, please submit a change of address for Karol or an assignment of permit that adds her name to this permit.

Additionally, the proof you filed on November 27, 2007 is acceptable and will replace the proof filed on October 12, 2007. With this letter I am returning the original proof submitted on October 12, 2007.

Be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: [www.idwr.idaho.gov](http://www.idwr.idaho.gov)
