RE: Water Right Ownership

Dear Mr. and Mrs. Horrock:

It has come to Idaho Department of Water Resources' (IDWR) attention that you may own property that was formerly owned by Lillie Croney, Rayona Russell, Sharon Knowles, and James Willmore, see attached map for location. That property appears to have water right 29-13788 appurtenant to it and IDWR would like to update the ownership for that water right. For your convenience I have included a report of the water right 29-13788.

If you own the property in question, your portion of the water right has a specified point of diversion, nature of use and place of use. If you plan on changing any of these, including adding a new point of diversion, then an Application for Transfer on your portion of this right is required. If you do not plan on changing any items on your water right, then a Notice of Change in Water Right Ownership Form will be required.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with IDWR. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any IDWR office, or at the IDWR's website at: www.idwr.idaho.gov.

If you have any questions you can contact me at 208-287-4944.

Sincerely,

Cherie Padilla, Water Resource Agent
