Subject: 37-07638

KariLynn,

Could you please insert this or a similar paragraph into the cover letter for License 37-07638 and refund Mr. Gonsales' \$50 he paid for the unneeded amendment?

Thanks!
Erin

During further review of your permit it was discovered the application for amendment you were mailed was not needed because the point of diversion was described correctly on the permit. Therefore, IDWR is refunding your \$50 amendment fee.
