My father, Ted Frome., passed away this year and I am cleaning up his files. Enclosed are two APPLICATION FOR PERMIT plus a check for \$200.00 covering two existing diversions on a ranch we own in Bonneville and Bingham Counties. The first permit is for a spring at the side of our ranch house which is pumped into the house for domestic purposes along with providing stockwater in wrangle pasture. The second permit is for an existing metal trough which has been piped to a spring and is used for stockwater.

Please let me know if you have any questions.

Sincerely,

John Frome
