Re: Change of Ownership for Water Rights #37-7438

Dear Ms. Zatica,

The Department acknowledges receipt of correspondence changing ownership of the above referenced water rights and has modified the records to reflect the change in ownership. Enclosed are computer-generated reports for your records.

In researching I found a domestic water right I believe is for this property. If you wish our records to be changed it is necessary for you to complete the enclosed Notice of Change of Water Right Ownership form. Please complete it per the instructions (pages 3 and 4), include the required information listed under item 2. There is a \$25 filing fee.

If you decide to submit the Notice of Change of Water Right Ownership form the changes will be made to our records, and you will be sent confirmation of completion.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
