RE: APPLICATION FOR PERMIT 67-14758

Ladies and Gentlemen:

On 9/14/2007, I sent you a letter requesting that you contact the Basin 67 Water Master, Brandi Horton, 2574 School RD, Midvale, ID 83645, telephone number (208) 355-2315, concerning the above mentioned application for permit. This letter gave you 30 days to contact the water master, and address her concerns and send written confirmation of any agreements that may have taken place.

The 30 day period has expired, and your application is being prepared to be voided. Due to the tremendous amount of work and effort that has gone in to getting your application to this point, I have been given permission to grant you an additional 14 days to supply the needed information. **If the information in my 9/14/2007 letter is not received by 11/30/2007, your application will be VOIDED.**

We would like to assist you in any way possible to bring this application to completion. If you have any questions or concerns please contact me at the above address.

Respectfully,
