Sally

I need some help and you escaped early this afternoon. Good for you!

Mr DeGuise is the accountant for Mr Fred Hopp. Mr Hopp doesn't have all his water rights in his name. 2 of the 3 are Allocation WR's and so my problem. One is Adjudication. Mr DeGuise sent a fax earlier this summer (July) that maybe didn't end up where it was supposed to. The ownership change doesn't appear to have happened in either bureau. His client was assigned a hearing date that came before the letter that told him of the date. He missed it.

I am working to get the Allocation water rights fixed up but don't know what can be done about missing an adjudication hearing date.

(The second fax is attached. But I also have a copy of the one sent in July.)

Although the hearing date notification got sent to the correct address, it was after they could do anything about it. So I must not have handed this off correctly.

What do I need to do for them now?

Michele
