Regarding Mr. Woodland coming in to sign that transfer...I think I need his wife, Debra, to sign too. I also noticed she didn't sign their own application either and it is made out in both of their names. Do you want to contact him and make sure they both come or do you want me to contact them?

Sounds like a plan, perhaps a note in the file regarding the possible refund.
Thanks,

(Gave you the same check again!) Anyway, the second check from you was #7215 with receipt #S029572. I can initiate a refund but maybe I'd better wait to make sure that the Zion's check is still okay since it has been sitting around here for so long?

Jeanie,

The \$410 was supposed to cover the total diversion rate being transferred, however this was a mistake since three separate transfers are involved there (Woodland, S&R & BLM). I brought in two \$250 checks with the transfers for BLM and S&R last week? for a total paid of \$910, however the \$410 should have been \$370 so I suspect total owed is actually \$870. Take a look again and see if you can find two checks from Brockway for \$250 each. I have receipts somewhere for them. I think IDWR probably owes a refund of \$40...perhaps I can collect one check and replace with a check for \$210?

Hey Jason,

I have given these transfers a number now. Woodland is #73710, S&R is 73711, {and BLM is #73712}. I think I may need some additional fees for S&R? Zions bank issued a check for \$410.00 in May of 2006, which I just receipted (hope it's not TOO OLD!) I have attached a copy of their letter for you to look at.

Woodland's transfer is for 3.58 cfs = \$370.00.

S&R is for 0.38 cfs = \$250.00

Total = \$620.00 - \$410.00 = \$210.00 short?

I'm not quite sure how the \$410.00 fits into this, but somehow I think we are short at least \$210.00. What do you think?

Jeanie
