PROOF ACKNOWLEDGMENT LETTER

RE: PERMIT NO. 37-20834

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use form and field examination submitted for the above referenced permit.

A preliminary review of the field examination found that condition no. 9 of the permit was not referenced as being completed. Please provide the Department with evidence that this condition has been met. Condition No 9 states:

"Prior to the diversion and use of water under this approval, the right holder shall comply with applicable water quality permitting requirements administered by the Department of Environmental Quality."

Be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau
