Here is a copy of the signed proof. This was somewhat buried in the packet I sent, just before the field exam for 37-20834.

Mr. Brockway,

I have found the beneficial use field report and the evidence in support of the permitted use, but I do not find the proof of beneficial use that your letter references as being enclosed. I looked at the other permit files for the Walkers (37-9136 and 37-8532) and their proofs were filed in advance of the field report. So I believe the only proof needed is the one for 37-20834. Please provide before January 1, 2008. I would appreciate it if you would send it to my attention.

Thank you.

Debbie,

I got a proof due notice on this right. A beneficial use exam and proof was submitted to IDWR-Southern on September 5, 2007. The exam also covered related rights 37-8136 and 37-8532, so perhaps it got put in another file.
