Subj: Review of Ownership Change documentation

It appears that the ownership change for the above referenced numbers could not initially be processed due to lack of sufficient proof of ownership. A letter was sent to the attorney, William Collins on June 6, 2007 regarding this matter. It appears that a copy of this letter was also sent to the applicant, Loretta Sweeney. However, in looking at the attached info – the copy of the letter sent to Ms. Sweeney was sent to the wrong address. It was sent to the address of the *former owner*; therefore it was returned to us by the post office. It also appears that the returned mail information (and the June 6th letter) was then faxed to Mr. Collins on July 30. This information is attached.

RE: Notice of Change of Water Right Ownership Nos. 63-97819D and 63-03449

Dear Mr. Collins:

This office has reviewed the Notice of Change of Water Right Ownership for Loretta Sweeney that you submitted (copy enclosed); however, we are unable to complete this ownership change at this time.

In order to complete these changes we need to obtain a Warranty deed with a legal description, and a map showing the property – or at least a map.

Thank you for your patience and cooperation, as we have had several ownership changes to process. Please feel free to contact this office if you have any questions concerning this letter.

Best regards,
