Department of Water Resources
Eastern Region

Re: Filing of (1) Notice of Change of Water Right Ownership and
(2) Application for Transfer of Water Right

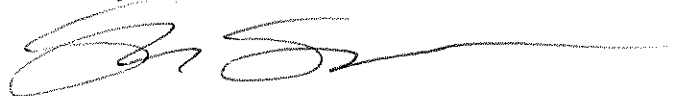

Dear Sharla:

On behalf of the Bear Lake West Home Owners Association, Inc., we are submitting for filing the enclosed (1) Notice of Change of Water Right Ownership and (2) Application for Transfer of Water Right, pertaining to licensed Water Right Nos. 11-7027, 11-7035, and 11-7142. A filing fee of \$325.00 is also enclosed (\$75.00 for the Notice of Change of Water Right Ownership and \$250.00 for the transfer application).

If possible, please let Dennis Dunn know that these have been filed. The Home Owners Association contacted Dennis some time ago about drilling a new test well for purposes of their water system. Dennis advised that the new test well needed to be identified as a POD under one of the Home Owners Association's water rights within sixty days of the drilling. One of the purposes for the filing of the enclosed documents is to satisfy Dennis' request.

If there are any questions or if any additional information is needed with regard to this matter, please do not hesitate to call.

Sincerely,

SCOTT J. SMITH
