RE: Transfer 73709

Dear Sir:

Attached is the proof of ownership of the properties to which the water is being transferred as requested to complete the processing of Transfer 73709.

The attached warranty deed should be sufficient proof of ownership in order to have the ownership of 35-8594 changed thus eliminating the need for additional signatures.

Please feel free to contact me for any additional information that you may require.

Respectfully Submitted,
