**RE: APPLICATION TO LEASE ALL OR PART OF WATER RIGHT NO(S).
63-32400 TO THE WATER SUPPLY BANK**

Dear Lessor:

The Department of Water Resources ("Department") has completed its review of the Applications to Sell or Lease Water Right(s) to the Water Supply Bank ("Bank"). The offered water right is accepted into the bank in accordance with the attached Water Supply Bank Lease Acceptance documents.

The Applications to Sell or Lease Water Right(s) to the Bank were submitted for water right no. 63-7194. In accordance with notification of changes in water right ownership, this water right has been split into multiple parts. According to Department records, your portion is identified as water right no. 63-32400. The attached lease acceptance documents reflect this water right number as it is accepted into the Bank.

The expiration date on each Lease Acceptance identifies the release date of the corresponding portion of the right. One four (4) acre portion will be automatically released from the Bank on **December 31, 2008**, while the other four (4) acre portion will be released on **December 31, 2010**, unless the right is released earlier by the Board, or upon request by the lessor. To change the term of the lease or to release the right from the bank, the lessor must submit a request in writing to the Department prior to the release date.

Please review the conditions of acceptance listed on each Lease Acceptance, and contact me if you have any questions at (208) 287-4943.

Sincerely,

Aaron Marshall
Water Allocation Bureau
