RE: CHANGE OF ADDRESS AND WATER RIGHT OWNERSHIP
WATER RIGHT NO(S). 1-10409, 35-8222, AND 35-8224

Dear Mrs. Shrader:

The Department of Water Resources ("Department") acknowledges receipt of your notice in change of address for the above referenced water rights. On the form, you indicated that the property and corresponding water rights have been sold.

All claimants and owners of water rights are required to notify the Department of any change in mailing address or change in ownership of all or part of a water right. The Department has received a Notice in Change of Water Right Ownership for water right no. 1-10409. Water right nos. 35-8222 and 35-8224 will remain in your name until the new owner of the water right provides a Notice in Change of Water Right Ownership.

On the change of address form, it was indicated that you would like to cancel your water rights. Since water rights are real property, they remain attached to the land. If you wish to no longer receive correspondence associated with water right nos. 35-8222 and 35-8224, the new water right owner should be contacted and requested to provide the Department a Notice in Change of Water Right Ownership. Thank you for your assistance in this matter.

If you have any questions, please contact me at (208) 287-4943.

Sincerely,

Aaron Marshall
Water Allocation Bureau
