RE: LAPSED PERMIT NO. 57-11659

Dear Ms. Anderson or Mr. Temple:

The department received a Proof of Beneficial Use (proof) form from you on September 13, 2007 and a \$100.00 license examination fee, and documents evidencing the purchase of an irrigation system and a proposal to install a greenhouse. A letter dated September 18, 2007, requested additional documentation. However, the department has not received additional document(s) that would provide evidence of the application of the water for irrigation, heating, and aesthetic uses.

Therefore, I am returning the proof form and documents you filed and with this letter request that the \$100.00 be refunded. The State of Idaho will issue you a check in the amount of \$100.00. This check will be mailed to you within 7-10 business days.

Please note that this water right permit is lapsed and has no force or effect. Use of water or further construction under the permit is not authorized. I suggest that you contact the Western regional office at 2735 Airport Way in Boise, (208) 334-2190, to file a new application.

Sincerely,

Deborah J. Gibson
