Dear Sir or Madame:

The Department of Water Resources has issued the enclosed **Order Denying Petition for Reconsideration** pursuant to section 67-5243, Idaho Code, regarding the above-referenced transfer. **This preliminary order can and will become a final order without further action of the Department unless a party petitions for reconsideration or files an exception and/or brief as described in the enclosed information sheet.** This order was issued in response to a Petition for Reconsideration filed by Tracy and Sharon Baxter on October 7, 2002. According to the Department's record for the water rights involved in this Transfer, you own water rights 11-7456 and 11-7458.

Also enclosed is a copy of the Transfer approval document issued on September 18, 2002, for your information.

Sincerely,

Deborah J. Gibson
