Subject: Legal Notice for publication on September 15 and 22, 2005 - multiple water rights

A very good day to you,

Attached is our cover letter requesting publication of a legal notice on September 15 and 22, 2005. Also attached is the legal notice.

If you have ANY questions, PLEASE CALL ME at 769-1450.

PLEASE SEND ME A PROOF PRIOR TO PUBLICATION.

This is a **LONG** one - and I hope you can just copy and paste and then we can adjust tabs if they need be. That should simplify it somewhat.

I appreciate your help - and I know this one can cause problems if you have to type it out from scratch.

Thanks for your help on these legals. I know they are often a headache - especially when they are long like this one.

Dianne

RE: Application for Permit No 96-9253

Dear Applicant(s):

The Department of Water Resources acknowledges receipt of your water right application. Please refer to the above referenced number in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the Coeur d'Alene Press on September 15 and 22, 2005. Submittal of protests to this application will be allowed for a period ending ten days after the second publication.

If the application is protested you will be sent a copy of the protest(s). All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, it will be forwarded to our State Office in Boise for final processing. The State Office will notify you of any action taken on the application and will send you a copy of the permit if approved. A typical processing time for an unprotested application is about eight to twelve weeks.

Preliminary review of the application indicates that additional information is required. We will need a Public Water Supply Number issued before we can complete processing this application. The information must be submitted within 30 days of the date of this letter. Failure to submit the required information within the time period allowed may be cause for the Department to void the application. The Department may grant an extension of time to submit the information upon written request and a showing of good cause.

Please feel free to contact this office if you have any questions.

Sincerely,

Gregory J. Taylor
