RE: Application for Permit 15-7292 Place of Use

Dear Mr. and Mrs. Owens:

Idaho Department of Water Resources (Department) is in receipt of your Application for Permit to appropriate groundwater for domestic and irrigation purposes. The Department would like to proceed with issuance of your permit but needs clarification of the place of use for the groundwater.

Please see the enclosed map for an illustration of where the Department currently has your place of use described. If this is not accurate, please mark on the map where the place of use should be and return it to our office.

If there is not a response to this letter within 30 days, the Department will assume the place of use as illustrated on the enclosed map is correct and proceed with the issuance of your permit.

If you have any questions regarding this matter you can contact me at 208-287-4944.

Sincerely,

A handwritten signature in black ink, appearing to read 'Cherie Padilla', is written over a horizontal line.
