Re: Permit No. 96-09112

Our Client: Don & Julie Skinner

Our File No. 6487

Dear Ms Keen, Mr. Peppersack, & Ms. Edl:

I represent Donald and Julie Skinner. They have provided me copies as follows:

1. Ms. Edl's September 19, 2007 letter entitled Notice of Pending Order to Void Permit (1 page).

2. Ms. Keen's October 25, 2007 letter entitled Preliminary Order in the matter of Permit No. 96-9112 with an enclosed Preliminary Order Voiding Permit (4 pages total).

First, the October 25, 2007 letter references an "enclosed information sheet." There does not appear to be such a sheet.

Second, my clients hereby petition for reconsideration of the "preliminary order."

Third, prior to the September 11, 2007 letter, my clients had no contact regarding the Morgan permit and if they did they did not understand what the contact was about. My clients have several IDWR permits.

After the September 11, 2007 letter, my clients called the IDWR and were not able to determine the nature of this matter.

Finally, it appears that some sort of inspection needs completed regarding the water permit and likely a transfer of the permit to the Skinner's names. Please send me copies of all your records regarding this permit.

Please contact me to resolve this matter. I look forward to hearing from you.

Very truly yours,

JOHN A. FINNEY
