Re: Change in Ownership No. 72-216, 72-10320

Dear Mr. Mack:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

- ☐ Filing Fee of \$25 per water right <permit>
- ☐ Filing Fee of \$100 per water right for changes resulting from division of a water right
- ☒ Signature (Thomas E Max)
- ☐ Notarized Signature for Assignment of Permit
- ☐ Evidence of Water Right Ownership: copy of Warranty Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question
- ☐ Evidence of Security Interest: copy of Deed of Trust, Mortgage, Contract of Sale, or other legal document indicating your interest in the property and water rights in question
- ☐ Security Interest Expiration Date
- ☐ Legal Description of Property
- ☐ Plat of Property or Survey Map usually on file with the county
- ☐ USDA Farm Service Agency (formerly ASCS) Aerial Photo with irrigated acres outlined and point(s) of diversion clearly marked
- ☐ Description of Portion of Water Right resulting from division of water right

Because the Department cannot process the ownership change without proper signatures, we will hold any action on your notice pending receipt of the signed document. Please submit the form by Oct 5, 2007 so I can continue to process this change.

Please note that water right owners are required to report any change in water rights ownership and/or mailing address to the Department within 120 days of the change. Failing to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's website to obtain the proper forms and instructions. Please feel free to contact this office if you have any questions.

Sincerely,

Carrie Hahn
Clerk
