**RE: LEASE OF WATER RIGHT NO(S). 61-2188 AND 61-7151 TO THE
WATER SUPPLY BANK. IRS FORM W-9 REQUEST.**

Dear Mr. Brown:

The water right(s) referenced above are currently leased to the Water Supply Bank ("bank") under your name and have been rented for the current year. Enclosed is a copy of the Internal Revenue Service Request for Taxpayer Identification and Certification, Form W-9. The Department of Water Resources ("department") is required to file an information return with the Internal Revenue Service ("IRS") for all payments issued for water rented from the bank. Payments for the rental of a water right or part thereof cannot be issued to the lessor of a water right unless the department has received a completed IRS W-9 form.

Additionally, documentation of authority to receive payment must be submitted if the name provided on the W-9 form does not match the name of the lessor. The address associated with the water right leased to the bank will be updated in the department database to the address provided on the W-9 form unless otherwise requested by the lessor.

Please return this form within ten (10) days from the date of this notice, along with any additional documentation to my attention. If you no longer have an interest in the water right, please contact me at 287-4954.

Sincerely,

Diana L. Ball
Water Allocation Bureau
