PROPOSED CHANGE OF WATER RIGHT

United States Air Force of 1030 Liberator Street Bldg 1300, Mountain Home AFB ID 83648 filed Application No. 74257 to transfer 5 water rights with 1943 through 1975 priority dates from ground water totaling 17.19 cfs. The purpose of the transfer is to add a new well on the airbase for the municipal water system to alleviate water supply and/or water quality problems. Use of the proposed well will be limited to 4.00 cfs under the combined water rights. The application also corrects a minor data entry error in one of the water right records.

For specific details regarding the application, please contact the Idaho Department of Water Resources (IDWR) Western Region at 208-334-2190 or visit www.idwr.idaho.gov with detail provided under "new water right applications." Protests may be submitted based on the criteria of Sec 42-222, Idaho Code. Any protest against the proposed change must be filed with the Director, IDWR Western Region, 2735 Airport Way, Boise ID 83705-5082 together with a protest fee of \$25.00 for each application on or before November 26, 2007. The protestant must also send a copy of the protest to the applicant.
