Reference: Water Right No. 96-2120

Gentlemen:

Enclosed is a filled out and signed form to change a Water Right Ownership. We had just found out through the Idaho Department of Water Resources that the previous owner of our property did have a Water Right. Since we are using the water from the creek mentioned for our house and irrigation, we would like to have the water right in our name.

I have also enclosed copies of our Warranty Deed, Title Documents and Contract of Sale. There is a clear definition of the 160 acres we own here. I have also downloaded a Google Earth photo showing the fields, some of which we irrigate, and it also shows the thick trees that is where the creek comes down the mountain. Hopefully, this is enough documentation to have the change made.

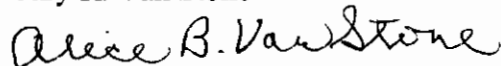

My wife and I currently reside at 300 Ridgewood Rd., P.O. Box 104, Hope, ID 83836, phone number 208-264-0283. We make Idaho our permanent residence, but go to Florida in the winter. We will leave for Florida on October 22 and arrive in Florida on November 13. Our address in Florida is 542 Joseph Ct., Unit #1, Naples, FL 34104, Phone Number: 239-348-8261. We also have e-mail at gandavanstone@aol.com.

Thank you very much for your help.

Sincerely,

Gary R. Van Stone
