Re: Permit 37-07638

Dear Ms. Retelle:

Thank you for the information you provided by telephone today. As we discussed, my client is Rod Gonsales of Camas Creek Ranch. Mr. Gonsales requests that the Department temporarily defer the licensing process on the above-referenced permit in order to allow time to work out details of the property and water right sale, and to provide additional information relative to surface water and groundwater usage on the property. It is requested that the Department defer processing until after January 1, 2006.

Cordially,

Charles G. Brockway, P.E.
