RE: Change of Ownership and Split for Water Right 96-07246

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence for splitting ownership of the above referenced water right. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records. Please refer to new water right number 96-09353 as this is now your portion of original water right number 96-07246.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Nick Van Dyke', is written over a horizontal line.
