Dear Mr. Uhlmann:

Thanks for the information concerning your Assignment of Permit form signed by Donald R. Baugh. It will be necessary for you to send us an original notarized copy of the Assignment of Permit form and a payment of \$25. Idaho Code treats water rights as a permanent property right. Therefore a notarized signature is required to insure transfer to the rightful owner.

Please be advised that Section 42-248, Idaho Code, effective on July 1, 1996, requires you or the owner of this water right to maintain current ownership and address records on file with the Idaho Department of Water Resources. I have enclosed a change of address form that you should send to the IDWR Northern Regional office in Coeur d'Alene if you will be changing your permanent mailing address to 1220 Shepherd Road at Saint Maries. Forms to file a change of ownership of a water right and/or a change in the address of a water right owner are available from any Department office. These forms are also available from the Department's web site on the Internet at <http://www.idwr.idaho.gov/>.

I can be reached at (208) 762.2816 or via e-mail at Shaun.Maxey@idwr.idaho.gov if you have any questions.

Respectfully,

Shaun M. Maxey
Water Resources Agent

Oops →

I recently purchased the attached referenced property from Donald Baugh. After getting the assignment of permit form I sent it to Don and he promptly got it signed, notarized and returned to me. As I do with all important paperwork and so that it doesn't get misplaced I promptly scanned it and then shredded it... oops.

Hopefully the copy I have enclosed will work for you. Should you need to contact Don his phone is 208-798-4675 and my phone is 208-660-7066. If this won't work please mail me a new assignment of permit form and I will chase everything all over again. Thank you for your consideration.
