Re: Permit Review

Overlapping right 96-2279. Sent correspondence to applicant to see if he was interested in pursuing a transfer. 10/23/2007 the applicant called and indicated he didnt have any interest in 96-2279.

Spoke to KFranklin about the application being advertised at 1.7 acres when the application was only for 0.5. They were having a problem with workflow that caused this error. 0.5 acre is the amount this is to be approved for.
