Dear People:

We have a water right license No. 96-08719. Recently we have read that all water rights in the state of Idaho are being automatically made invalid and open for *mandatory* renewal. Hence, I want to do so, and have a written definitive statement from your office as to why this is necessary with our license.

Please send any and all necessary paperwork to:

Mark and Caren Reiner
3887 Grouse Creek Road
Sandpoint, Idaho 83864

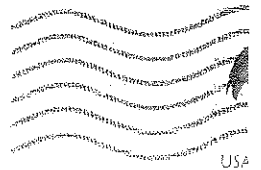

Thank You,

Mark Reiner
