RE: Water Right Permit No 22-13414
Assignment of Permit

Dear Sir:

The Department of Water Resources acknowledges receipt of your Assignment of Permit ("assignment"), Proof of Beneficial Use ("proof") and a \$100.00 filing fee. My review of the assignment indicates that the \$25.00 filing fee was not paid. This fee is required before the change can be processed. Because the proof was filed in the name of Grandview Land Company the proof cannot be processed until the assignment is accepted.

Because the department cannot process the assignment without proper fees, we will hold any action pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days we will return your assignment and it will not be processed. Please forward your response and fee to my attention at the above address.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage on the Internet to obtain the proper forms and instructions.

Please feel free to contact this office if you have any questions.

Sincerely,

Deborah J. Gibson
