Dear Dave:

We have now received and are enclosing with this letter the following in connection with the five Applications for Permit we recently filed on behalf of Elliot Creek Ranch, LLC, and Elliott Creek, LLC:

1. Notice of Change of Water Right Ownership form regarding water rights nos. 22-677 and 22-4189. A copy of the Deed is also enclosed with a map which shows not only the lands acquired from the Wilsons by Bates Ranch, LLC, but also the portion of those lands from which the water rights necessary to satisfy the mitigation requirements of the Applications will be used as well.
2. Copies of Water Use Agreements between Elliott Creek Ranch, LLC, and Bates Ranch, LLC, and between Elliott Creek, LLC, and Bates Ranch, LLC.
3. Finally, we are also enclosing a narrative statement from Anderson Engineering regarding Ponds 5, 6, and 7, in connection with the application for permit for such by Elliot Creek, LLC. Mr. Anderson indicates that he had to make a minor change in this particular sheet, and we would ask you to substitute this one for the one submitted with the application.

If there is anything additional we need to supply, please feel free to contact us at your convenience.
