RECEIVED

OCT 24 2007

Department of Water Resources
Eastern Region

Dear Dave:

We are enclosing a new page with the number 0.4 corrected to 0.8, initialed by me.

I apologize. I do not understand the reference to the Kimberly Precipitation Deficit values. This will be a dumb question because I do not know what you mean, but why would we not use the Teton Valley precipitation deficit values?

Yours very truly,

Kent W. Foster
