RE: Change in Ownership for Water Right No. 85-10381

Dear Interested Parties:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

 X **Signature**

During our review of the documentation you submitted we found no 2nd page to the notice you submitted. In order to process your change in water right ownership we need your signatures. I have enclosed a copy the notice you submitted, along with the rest of the form that we need your signatures on.

Because the Department cannot process the ownership change without the entire form filled out, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

If you have any questions regarding this matter, please call Darla Block at (208) 287-4945.

Sincerely,

Darla Block
Technical Records Specialist
