RE: Change in Ownership For Water Right 29-11657

Dear Interested Party:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

☒ **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

☒ **Legal Description of Property**

During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the water right indicated in your notice. I have enclosed a copy of the water right for your reference. You will note that the township, range and section description on your warranty deed match the decreed water right, but the quarter-quarter description does not match. Water right no. 29-11657 is in the **SW ¼** of the **SW ¼**. Your deed describes land in the **East half** of the **SE ¼**. Please provide this office with a warranty deed that describes your ownership of the property listed under this water right.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

If you have any questions regarding this matter, please call Darla Block at (208) 287-4945

Sincerely,

Darla Block
