RE: Change of Ownership for Water Right #71-25B

Dear Water Right Holders:

The department acknowledges receipt of correspondence changing ownership of the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

In research, I notice the Quitclaim Deed list a domestic water right 71-10141 which you are the current owners. If you wish our records to be changed in your names it is necessary for you to complete the enclosed Notice of Change of Water Right Ownership form. Please complete it per the instructions (pages 3 and 4), include the required fee of \$25.00 and return everything to the Department. The documentations listed under item 2 have already been submitted with the ownership change of #71-25B.

Once this packet is received, the changes will be made to our records, and you will be sent confirmation that the change has been completed.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Carrie Hahn
Clerk
