Re: Change of Ownership for Water Rights 72-4180a, 72-4180b

Dear Water Right Holders:

The Department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The Department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

In research, I discovered a domestic right 72-10047 that seems appurtenant to your property. If you wish to change ownership on this right, please fill out the enclosed change of ownership form and send it to the Department with a fee of $25. I have enclosed a copy of the warranty deed for item #2.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Carrie Hahn
Clerk
