Re: Permit Reivew

WD-none applicable

Moratorium-Yes, exempt

No protests

Overlaps include 22-7762, 22-122, 22-13265, 22-566 all in the City of Victors name. These together total 7.29 cfs. The city asserts that it needs an additional 3 cfs to meet current needs. There are some overlapping irrigation rights that are also addressed in the conditions.

Same conditions added to this permit as recently approved 22-13265.

A digital city boundary was obtained from the city's planning and zoning office. This was used to create the large POU.

Recommend for approval as suggested by the region.
