RE: Application for Transfer No 74091 and 74092

Dear Applicant(s):

The Department of Water Resources acknowledges receipt of your water right transfer application. Please refer to the above referenced transfer number in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the Morning News (74091) and the Post Register (74092) on October 25 and November 1, 2007. Submittal of protests to this application will be allowed for a period ending ten days after the second publication.

If the application is protested you will be sent a copy of the protest(s). All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, it will be forwarded to our State Office in Boise for final processing. The State Office will notify you of any action taken on the application and will send you a copy of the permit if approved.

Please feel free to contact this office if you have any questions regarding this procedure.

Sincerely,

Sharla Cox
Administrative Assistant
