Dear Mr. Arave:

RE: Transfer Consent:
Transfer #73149, 74-02125, F. James Whittaker

By this letter I state that I have the authority to act on behalf of the United States, Dept. of Interior, Bureau of Land Management (U.S.D.I., BLM), with myself as its agent, to the matters discussed herein. I understand that F. James Whittaker wishes to transfer water under right 74-02125 from federal public property to land which Mr. Whittaker owns as private property. The federal public property legal descriptions are as follows:

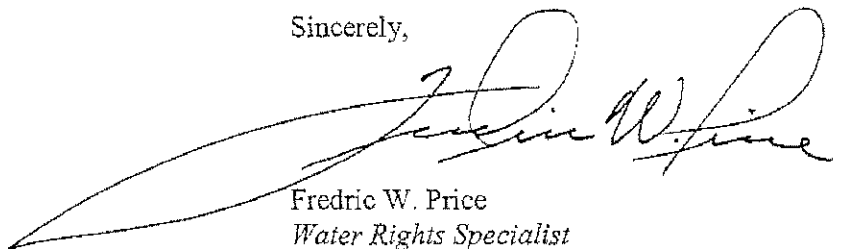

T14N R27E S34 SWNE (3 acres).

I understand that the Idaho Department of Water Resources cannot complete such a transfer of water under a water right without the notarized consent of the landowner where the water right describes land not owned by the transfer applicant.

On behalf of the United States and the U.S.D.I., BLM, my notarized signature below provides the necessary consent to facilitate the transfer, which will result in the discontinuance of water use on federal public land. The United States' non-opposition to the application for transfer does not represent recognition by the United States of the claim elements nor their validity.

If there are questions regarding any statements above, please do not hesitate to contact me at (208) 373-3831 or at the address provided above.

Sincerely,

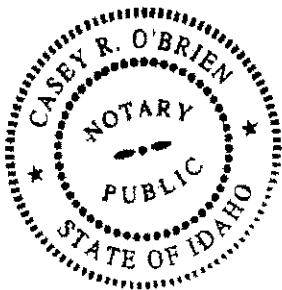

Fredric W. Price
Water Rights Specialist
