PROOF ACKNOWLEDGMENT LETTER

Re: Permit No. 57-11614

Dear Permit Holders:

The department acknowledges receipt of the proof of beneficial use ("proof") form submitted for the above-referenced permit. The next step in the process of developing a water right is for the department to conduct the field examination to determine and confirm the use of the water, and that it meets the permitted beneficial use.

Enclosed is the original Request for Extension of Time for filing proof of beneficial use. You filed it with the proof form, but it appears that you do not need an extension for completing the development of this permit both from your letter and from our conversation today. Therefore, I am returning the request to avoid confusion in the file.

Be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov

If you have questions about the field examination, please contact the **Western** Regional Office of the department in Boise at (208) 334-2190. If you have any additional questions, please contact me at (208) 287-4942.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau
