Re: Permit #75-14265 — Meter Reading

Dear Shelley:

The October 1, water meter reading was: 1,560,900, gallons. The meter reading was taken on September 18, when use of the pump and meter were discontinued until next spring.

In review:

- 1.) June 1, reading — 180,500 gallons;
- 2.) July 1, reading — 497,300 gallons;
- 3.) August 1, reading — 942,000 gallons;
- 4.) September 1, reading — 1,346,200 gallons; and
- 5.) **October 1, reading — 1,560,900.**

In the spring of 2008, I will begin sending you monthly meter readings. I hope my water right will be perfected by then.

Sincerely,

Bill Oldham
