Re: Incorrect Parcel Number for WR 67-14000

Domestic water right record 67-14000 currently lists the parcel # as **RP002300060020** and shows the property also known as Lot 2, Blk 6, Council Mesa Orchards.

Change of ownership research on this right found that according to the GIS parcel data provided to IDWR by Adams County, the current parcel number for Lot 2, Blk 6, Council Mesa Orchards is **RP000400060020A**

Despite that 67-14000 is a partially decreed water right, the parcel number is not part of the actual decree and therefore can be changed.

This memo is to request that the parcel number shown in the remarks section be changed to reflect the current parcel number of **RP000400060020A**
