Re: Notice of Change of Water Right Ownership - 79-2063, 79-10354

Dear Mr. Mullinix:

This office has received your Notice of Change of Water Right Ownership for water right 79-2063 in Idaho County. However, we are returning the ownership change to you since this water right has not been claimed in the Snake River Basin Adjudication (SRBA), for which a claim is required to be filed for this right.

Claims filed in this area have been submitted to the Snake River Basin Adjudication Court in Twin Falls for court decree. In order to file a claim in this area at this time, a notice of late claim needs to be filed with the SRBA Court. Enclosed is the form to submit to the SRBA Court along with the claim form. Please see page 3 for instructions.

In addition, before we can process the ownership change for right 79-10354, you will need to submit the \$25.00 fee required for this change to our office.

If you have any questions concerning this letter, please feel free to contact our office.

Sincerely,

Lori Harris
