RE: Change of Ownership for Water Rights 22-7775, 22-7776, 22-7783

Dear Canyon Reserve LLC:

On August 14, 2006 a letter (copy enclosed) requesting proof of ownership for the above referenced water right was sent to the address provided for your company on the Notice of Change in Water Right Ownership form. A copy of this letter was also sent to American Realty West Inc. in Driggs, Idaho as they had submitted the ownership change materials. The letter to Canyon Reserve was returned to our office as undeliverable.

Since proof of ownership has not been received, I am returning the Notice of Change in Water Right Ownership request. A copy of your ownership change request information will be kept in our files for reference.

If, at a later date, you wish to reinstate this request you may send the enclosed ownership change request form along with the required support data for further review.

Please feel free to contact our office with any questions regarding this matter.

Sincerely,

for Emalee Rushing
Office Services Supervisor

6. If the change in ownership affects the entire water right for each water right or adjudication claim number listed in Item 1, THEN SKIP THIS ITEM AND GO TO ITEM 7. If the change in ownership divides the water right(s) among multiple owners, you must describe, in detail, your portion of each water right after the change. Fill in the appropriate spaces in the box(es) below to describe your water right(s) after the change (one water right per box, you may copy this page as necessary). If your quantity of water is greater than a proportionate split, you must attach documentation to show justification for a larger amount.
