RE: Change in Ownership for Water Right No. 65-3045a, 65-260 and others

Dear Interested Parties:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, *except for* ownership changes resulting in the division (split) of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. Due to the fact that you have already paid a fee of \$175, we will need an additional \$75 in order to finish processing this ownership change for 65-3045A which needs to be split. See map enclosed.

Because the Department cannot process the ownership change without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Water right 65-260 is in the SWNW of Section 15 and is not covered by the deeds we received. If this is your property, please submit deeds with legal descriptions to cover this property.

Please feel free to contact the Department if you have any questions.

Sincerely,

Sandy Egbert
