RE: CHRISTOPHER AND KATHRYN MEIER TRANSFER 73893

Dear Mr. Drury:

I contacted you the week of August 13th 2007 to have Christopher Meier come in and sign the transfer application submitted in their name. As I relayed to you on the telephone on 9/10/2007, I am unable to continue to hold this application without any formal action. This letter is a formal request to have Mr. Meier come in and sign this application for transfer within the next 30 days.

Please have your client come in and sign the application to allow final evaluation of your application to be completed. You may seek additional time to provide the information by making a written request to delay or interrupt processing. Your written response including the requested information, or a request for more time to seek the information, must be received by 10/10/2007. IDWR will issue a preliminary order to reject or deny the application without a timely reply.

If you have any questions or concerns please contact me at the above address.

Respectfully,

Daniel A. Nelson
Sr. Water Right Agent
