RE: RETURNED OWNERSHIP CHANGE 34-10218, 34-10314, 34-10318, 34-13831, 34-13833

Dear Mr. and Mrs. Waddoups:

I am returning the above referenced documents due to the split percentages you indicate on page 1 of the ownership change form. (See enclosure)

We are required by law to split each right proportionately (based on the irrigated acres you purchase) unless we receive a quit claim deed from the seller to you specifying the percentage of water to be conveyed.

If you want to pursue the ownership change based on a proportionate share, please "white-out" the percentages in the split column and resend to me. Otherwise, you will have to obtain a quit claim deed that specifies how the water is to be divided.

If you have questions about this matter, please contact Assistant Regional Manager, Ernie Carlsen.

Respectfully,

Jennifer Crabtree

Technical Records Specialist
