Dear Debbie:

The Shoshone Field Office of the Bureau of Land Management filed the required paperwork for 37-20598 water right claim late, due to the fact that we over looked this claim because of changes in personnel responsibilities.

Thank-you for your assistance in this matter, and if you need additional information or have any questions, feel free to contact me at (208)732-7272.

Sincerely,

Via Email
