Re: Change in Water Right Ownership
Cruickshank/Bettis

Ladies and Gentlemen:

We sent to you last June, on behalf of Harry Bettis, a Notice of Change in Water Right Ownership, covering Basin 65 water right nos. 2306, 2926, 2942, 2955, 2958, 3179 and 3182. We enclosed a copy of the recorded Deed and a map showing the location of the property. In following up on the status of the change, you asked for confirmation that the Exhibit to the Deed was indeed the legal description as recorded.

Enclosed, as the confirmation, is a copy of the Warranty Deed as recorded, which we received this week from the Ada County recorder. It does not appear that each page was stamped with the instrument number.

I hope this answers any questions you had. If you have additional questions or require further information, please contact me.

Sincerely,

HOLLAND & HART LLP
